CALL FOR PROPOSALS DEADLINE EXTENDED

NORTH CAROLINA CHAPTER TO CELEBRATE 20 YEAR ANNIVERSARY
AT 2017 CHAPTER MEETING

The 2017 North Carolina Chapter Meeting will be held March 17, 2017 in the Benson University Center at Wake Forest University in the heart of Winston-Salem, NC.

This meeting marks an important milestone in the North Carolina Chapter’s history as we will be celebrating our 20th Anniversary. Fittingly, we are holding the meeting where it all began; the first North Carolina Chapter Meeting was held at Wake Forest University in 1997, and we’re returning to celebrate this momentous occasion.

The Planning Committee is busily working on planning an engaging and educational meeting as well as a celebration honoring the chapter’s 20th anniversary. They are also securing a dynamic and knowledgeable keynote speaker who will connect with research administrators and researchers across positions, across organizations, across the state and around the world. A special subcommittee will be reaching out to former NC Chapter presidents and to the chapter’s founding members in order to include them in this celebration and to honor their service to SRA and to the chapter.

We hope you will join us for a day of learning, collaboration, and celebration. If you are interested in becoming a speaker at the meeting, please complete the ‘Call for Proposal’ form and submit it by the new deadline of November 30, 2016. The ‘Call for Proposal’ form is also accessible through the chapter meeting website at http://srainternational.org/meeting/chapter/2017-north-carolina-chapter-meeting.

Should you have any questions, comments, or concerns, please don’t hesitate to contact us.

We look forward to seeing you in March 2017!

Thank you,

Lisa Walker, President lbwalke2@uncg.edu
